

Sunlite EX100-14/2/SL Cage String Light Plastic

DESCRIPTION:

The Sunlite cage string work light is ideal for lighting workshops, garages and tight work areas. Features 100-foot extension cord and 10 yellow plastic cages with locking connectors and light sockets. The sockets are spaced every 10 feet. It's designed to resist abrasions, moisture and sunlight. Its cage design protects the light bulb and makes it quick and easy to replace it when needed. Accepts a 75 watt maximum bulb with a medium base.
