

JOB NAME:

CAT#:

TYPE:

### APPLICATIONS

Economical LED enclosed strip ideal for providing energy efficient lighting with low maintenance and long life. Highly engineered for quick installation with multiple knockouts, flip down ballast cover for easy wiring and specially designed lens tabs for lens installation. Lens is formulated to maximize light output and minimize direct glare LED image is visible but output is enhanced. Available in nominal 2', 4' and 8' versions for individual or continuous runs. White is standard finish but other power coating finish are available.

### FEATURES & BENEFITS

- Fully assembled housing is formed and welded 22 gauge steel chemically treated to resist corrosion and enhance paint adhesion
- Surface or pendant mount-horizontal or vertical
- Available in white or other finishes
- Available with smooth frosted lens to maximize light output
- Multiple knockouts for easy installation
- Knockouts on back accept standard electrical fittings (by others) Consult factory for other options.

### DIMENSIONS

24"L x 1.96"W x 2.93"H  
46"L x 1.96"W x 2.93"H  
92"L x 1.96"W x 2.93"H
