## 15" Slim Round Edgelit | 5 CCT Selectable

Sleek sophistication meets smart technology with the Carlson Slim Round Edgelit Disc Light from RP Lighting. This ultra-thin fixture features a low-profile round design that blends seamlessly into any modern space—making it ideal for both residential and commercial interiors. Whether you're setting the mood in a cozy living room or brightening up a busy hallway, the 5 CCT selectable color temperatures (ranging from warm to daylight) let you fine-tune the atmosphere with a flick of a switch. Its integrated LED delivers high-CRI (90+) illumination while consuming minimal energy. This fixture is also damp-rated, making it perfect for bathrooms, kitchens, or covered patios. With triac dimming compatibility, you can create the perfect ambiance—day or night.

ETL and Title 24 listed. Rated for use in damp locations. Triac Dimmable. 90CRI  
1-year limited manufacturer's warranty.
