

JOB NAME:

CAT#:

TYPE:

### APPLICATIONS

The LED 45 degree linear strip is ideal for interior warehouse, retail, and utility areas requiring general illumination in a commercial quality strip configuration. The CL45's angled housing makes it perfect for wall and corner applications.

### FEATURES & BENEFITS

- Housing is die-formed and embossed code 22 gage steel
- Finish is high reflectance baked white enamel
- Ballast covers or reflectors attach without tools to simplify ballast access
- End plate doubles as a coupler for continuous row mounts
- Surface mount chain, chain hung, double stem
