

Ultra High Speed USB Interchangeable Module Charger 15/20A Receptacle

Model No: 61150/61200-TR2USB-CU

Description

Enerlites TR2USB-CU, is the Industry's first 4.8A, 5VDC interchangeable dual USB charger with 15A or 20A tamper resistant receptacle. Our High Speed USB ports deliver the most advance charging needs of each device simultaneously and optimizes the current by a smart chip to reduce charging time. Our high speed USB chargrs give you the ability to charge virtually any device without the use of bulky adapters that can be lost or misplaced, while continuing to power traditional electronics, i.e. lamp or television in the same receptacle.

Features

- Industry's first Dual Ultra High Speed USB charger at 4.8Amp, 5VDC.
- Charge most compatible electronic devices directly without an adapter
- Tamper-Resistant Shutters, compliance with 2011 NEC
- Replace a standard duplex receptacle
- Back and side terminals for easy installation
- UL/CUL Listed
- Available color module in white, black and light almond sold seperately
