

Project Name:

Type:

Catalog#:

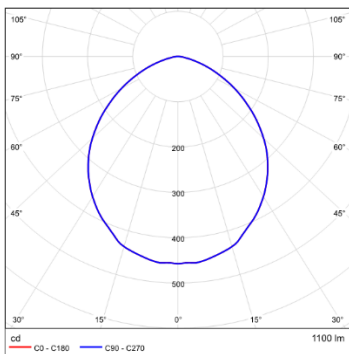

The EX-Lite DR series is a dimmable LED retrofit lamp designed to be easy to install into existing ceiling cans.

It has 5 CCTs in one unit 2700K/3000K/3500K/4000K & 5000K thanks to our latest CCT tuning technology.

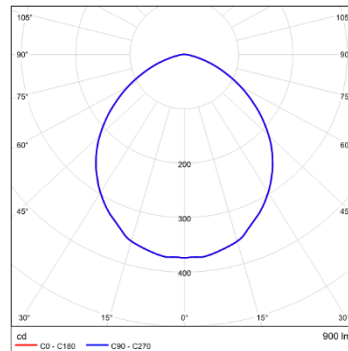

It delivers soft light for indoor commercial and residential lighting with its optional recessed baffle or smooth trim.
