INSTRUCTIONS FOR **SUNLITE**
Under Cabinet
LED Fixtures

WARNING: Read and understand these instructions before installing fixture. This fixture is intended for installation in accordance with National Electrical Code or Canadian Electrical Code (as applicable) and local regulations. To assure full compliance with local codes and regulations, check with your local electrical inspector before installation. **To prevent electrical shock, turn off all electricity before proceeding.** Retain these instructions for maintenance reference.

PACKAGING INCLUDES:

- Fixture
- Power Cable
- Mounting Hardware
 - Metal Hooks
 - Screws

Item Number	Wattage	Maximum Voltage	Frequency	Max.
53080-SU	4W	120V	60Hz	150W
53083-SU	8W	120V	60Hz	150W
53086-SU	10W	120V	60Hz	150W
53089-SU	14W	120V	60Hz	150W

CAUTION! READ THIS BEFORE YOU BEGIN:

Make sure packaging contains all the parts listed above.
Read instructions well prior to beginning assembly.
Retain instructions for future reference.

WARNING! RISK OF ELECTRIC SHOCK!

Turn off electricity during installation and relamping.

This product is for residential indoor use only and cannot be used in wet or damp locations such as outdoors or in bathrooms. Do not link more than 150W together. Fixtures must be linked using the adapter provided. Linking the units in any other manner may result in electric shock and should only be done by a licensed electrician. Maximum distance between units is five (5) feet.

As a safety feature, this unit comes with a polarized plug with one blade wider than the other. If plug does not fit into the outlet, simply rotate the plug 180°. Do not force plug into outlet. Do not attempt to alter the plug in any way.

INSTALLATION:

1. Determine the item number of the unit you wish to install.
Measure and mark two points on wall or cabinet surface accordingly. (Fig. A)
2. Install metal mounting hooks to wall or cabinet using provided screws and the two reference points at the center of the hole. (Fig. B)
3. Attached plastic brackets to fixture and slide onto metal mounting hooks. (Fig. C)
