# LMD - LED Disk Light

**LED Surface Mounts for Bright, General Illumination From A Small, Sleek Style. Indoor or Outdoor with 75% Energy Savings and Lasts 40 Times Longer.**

Finally, a fresh, modern approach to the old fashioned close-to-ceiling surface mount lights ideal for circulation spaces, living spaces and wet locations. This Contemporary Micro LED Close-To-Ceiling fixture with a matte white body and a translucent white acrylic diffuser mounts simply to a standard 4 inch J-box and is less than 2" deep in a crisp, flat edged style that provides a sophisticated look. Rethinking Lighting in the LED Revolution allows a large amount of light for general illumination from small unobtrusive sizes that will beautifully blend in to every application, indoor or outdoors. A warm, modern white 3000K color temperature is under 15 watts and illuminates like the output of 50W Par 20 and 75W BR30.

These Micro LED Close-to-Ceiling fixtures are a particularly good solution in wet location applications where normally a much larger and usually simple utilitarian look is used like in outdoor breezeways and shower/bathroom applications. They are also stylish substitutes for recessed downlights especially where ceiling obstructions or codes make a surface mount a good solution. It is ideal for applications that require expensive fire rated boxes for recessed fixtures since these mount simply to a surface mounted junction box.

## Ideal Applications

### Outdoor Breezeways

Wet location rated and less than 15 watt - ideal for long outdoor breezeways.

### Replace Expensive Downlights

**Fire Rated Recessed Housing**  
Avoid expensive Fire Rated Recessed housing by using in a standard 4" junction box with bright comfortable lighting at budget pricing.

### Showers/Wet Locations

Add less than 15 watts to your shower or tub but lots of light will make a big difference in how good you look.

## Construction

Heavy gauge metal housing powder coated white houses 120V LED array and is dimmable with standard incandescent dimmers.\* LED are comfortably diffused with Translucent White Opal Acrylic diffuser to provide a glare free light.

- Flush mount only
- Size: 7 1/2"D x 1 1/2"H
- Surface mounts to standard 4 inch junction box with two screws. Mounts to most 6" white cans with a recessed accessory kit.
- LMD 6 inch 44 LED arrays providing 1100 lumens with the diffuser and 15 watts with 3000K color.
- LMD Series dims to 10% with standard dimmers.\*
- CRI>80

\* Triac Based (forward phase control or leading edge dimmers).

Note: Specifications subject to change without notice.
