### APPLICATIONS

Specification grade, direct/indirect center diffuser luminaire provides smooth and uniform ambient lighting for all commercial and industrial buildings with recessed configurations. Reflected light from matte surfaces provide a softened "sky light" appearance to the modern office environment. Unique dual curved lens with center perforated basket or linear ribbed diffuser provides a luminous housing with excellent visual comfort. Light reaches higher in the space to eliminate the "cave effect".

Housing is die-formed and embossed code 22 gauge steel. Luminaire body finish is high reflectance baked white enamel, with matte white reflectors. Wiring knockouts are provided on the back of housing.

### FEATURES & BENEFITS

- Center section is flush with outer panels, eliminating the dirt and debris from collecting.
- One piece enclosure is mounted to one piece door frame
- IC Rated
- Direct/indirect mimics "sky light" appearance
- Matte white reflective surfaces for soft, uniform light distribution
- Recessed perforated center diffuser with acrylic overlay
- cETL<sub>us</sub> listed for damp locations up to 67 watts
