

FEATURES & SPECIFICATIONS

INTENDED USE

This High Output Multi-Function LED strips offers a family of three different strips to meet a variety of applications in warehouses, retail and utility areas. Available in a cost effective and high output open strip version, a specially designed LED frosted lens version, and a narrow focused reflector version. Each version is ideal for different applications and together make a perfect family of products for many industrial and back of house commercial applications. These fixtures can be surface or pendant mounted. Driver box hinges open for easy access to the driver without removing the lens or reflector. Consult for different finishes and different sizes.

SIZE W x L x H in inches (mm)

48"L x 2.925"W x 1.778"H

MATERIALS

Housing is die-formed and embossed code 22 gage steel. Finish is high reflectance baked white enamel. Wiring knockouts are provided on back and end of housing. Ballast cover, reflector or lens attach without tools with hinged construction to simplify ballast access.

FEATURES

- Five years warranty
- 50,000 hours life to L70
- >80CRI

MOUNTING

Surface mount, chain hung, double stem.

Series RRS
