LED Red Exit & Emergency Combo
REMOTE CAPABLE

Essential Illumination

Topaz's Exit and Emergency Combo units offer safety and security in a modern, easy to install design. This fixture is UL, OSHA, NEC and NFPA compliant and contains a long-lasting Ni-Cad battery for essential illumination in the event of a power failure. This exit and emergency fixture is also remote capable, to add two single head remote head lamps, or one double remote head lamp for extra illumination when and where it is needed most.

FEATURES

- Meets NFPA 70, NFPA 101, UL924 NEC / OSHA Standards
- T20: Can be used to comply with California Energy Commission's Lighting Appliance Efficiency Regulations
- Remote capable option to add up to two single or one double remote head lamp
- Battery backup with accessible push to test button for 90 minutes of illumination during a power outage
- Fully adjustable lamp heads - track and swivel for full range adjustability
- Ceiling or wall mount (canopy included)

APPLICATIONS

- Emergency lighting for commercial, industrial, retail and other public spaces
- Stairways and hallways
