LED Security Lighting SPEC SHEET

General Area Illumination

Topaz's LED Security Light, available in both standard or motion sensor configurations, combines performance and design while providing years of maintenance free illumination. Our motion sensor model includes dusk-to-dawn ambient light detection and motion detection up to 40' with a 180° field of view. External time, lux and sensitivity adjustments are easily accessible on the sensor.

FEATURES

- Replacement for 120W Halogen fixture (2-lamp 60W)
- Available with or without motion sensor
- The motion sensor version has a fully articulated sensor mount with gasket sealed base and offers:
 - Adjustable Dusk-to-Dawn ambient light detection
 - Motion detection up to 40' with 180° field of view
 - Time controls
- Shatter resistant, sealed in gasket lens
- Durable black or white finish to withstand the elements to prevent flaking and peeling; won't chip or fade
- Cooling fins for improved heat dispensation for extended life
- Die cast aluminum construction - thicker gauge than box store alternative!
- Single screw mount to wall, eave or box; hardware included

APPLICATIONS

- Residential and commercial, egress or security lighting
