DC Motor Ceiling Fan Wall-Mounted Control and Receiver

DESCRIPTION

The WCD Wall-Mounted Control and Canopy Mounted Driver are for use with DC Motor Ceiling Fans 1070W, 1080W, or 1088 series. The wall control allows you to operate the fan speed, change the direction of the blades, and turn any connected light on and off. Designed with no battery, this easy to install 2-wire wall control adds flexible operation from where you want.
